Council backs call over care

■ CLLR David Huxtable says the additional funding in the spring Budget is only a stopgap

Peter Hodges
Reporter | peter@viewnews.co.uk

SOMERSET County Council is backing a nationwide call for a sustainable solution to funding for social care.

A report published recently by the Association of Directors of Adult Social Services (ADASS) highlighted the continuing short-fall in funding for social care across the country, despite the extra £2billion of funding announced in the Government's spring Budget.

Somerset's budget for social care this year is £135.5million – money spent providing vital care and support for older and vulnerable people, including social-work support, care-home and

nursing placements and care in the home. The £135.5million is around 44 per cent of the county council's overall budget.

As people live longer and more of them have complex conditions needing costly support, the pressures are increasing.

The Budget announcement means an extra £21million to Somerset social-care services over three years – but even that is not enough to keep pace with rising costs.

Cllr David Huxtable, Somerset cabinet member for adult social care, said: "The additional funding is welcome but it's only really a stopgap and doesn't address the underlying deficit in funding for social care."

"Money isn't the only answer –

we have to work closely with health and be creative about how we can help people retain their independence for longer.

"But the fact is that a long-term solution to the funding issue is needed if councils are going to be able to sustain current levels of service."

A nationwide consultation on the issue is due to take place later in the year. The ADASS report says a long-term solution has never been more urgent or vital.

"The last three Governments – so that's all the major parties – have had some sort of consultation," said Cllr Huxtable.

"What we haven't had is a concrete plan. And all the time there isn't a plan, the problem is getting bigger and bigger."

Dramatic rescue

A HELICOPTER crew from RNAS Yeovilton rescued the last survivor of a sunken tanker in the Indian Ocean at the end of a dramatic day-long international mission which saved 13 lives.

Air engineering technician Stu Rogers – a member of the 815 Naval Air Squadron – was repeatedly swamped by waves as he spent half an hour trying to hook the stricken sailor and winch him up into HMS Monmouth's Wildcat helicopter, 140 miles off the island of Socotra in the Gulf of Yemen. **Full report on page 4**

NEWS FROM AROUND PULMAN'S COUNTRY... *East Devon & South Somerset*

Hospital campaigners set for 'crucial' meeting

CAMPAIGNERS from Seaton and Honiton areas are preparing for a crucial meeting of Devon County Council's Health Scrutiny Committee on Tuesday, July 25th.

Following a meeting in June when they postponed a decision, the committee will now decide whether to use its power to refer the decision of the NEW Devon Clinical Commissioning Group (CCG) to close all in-patient beds in

Seaton, Honiton and Okehampton hospitals to the Secretary of State for Health.

In March, the committee sent 14 questions, from a resolution proposed by county councillor Claire Wright, about the proposals to replace 72 of East Devon's 144 community hospital beds by care at home.

The questions included the justification for the surprise last-minute switch of beds from

Seaton to Sidmouth, which left no beds at all in the Axe Valley, since Axminster has already lost its beds.

Councillor Wright and other committee members are expected to examine the 14 points in detail to see which of them the CCG has answered satisfactorily.

Among those who will be speaking against the plans are Seaton and Colyton county councillor

Martin Shaw; the Mayor of Seaton, Councillor Jack Rowland; and the chairman of EDDC's Scrutiny Committee, Councillor Roger Giles, with others from Axminster and Honiton.

Councillor Shaw said: "This is a crucial decision not only for the beds but also for the future of the hospitals."

"The CCG's next step is its local estate strategy, which is likely to involve partial or even complete closures of hospitals."

"Seaton is more remote from acute hospitals than any other East Devon town and it is vital that we retain our hospital, which was built by the local community."

As in June, protestors will gather outside County Hall from 1pm, and will then observe the meeting which starts at 2.15pm.

A bus is being organised to take people from Seaton to County Hall - anyone who would like to book a seat should contact Councillor Shaw by emailing cllrmartinshaw@gmail.com or call 07972 760254.

■ On Tuesday, July 11th, at Mackarness Hall in Honiton, Honiton Senior Voice and Save Our Hospital steering committee will be updating the public on recent developments regarding in-patient beds at the hospital. The meeting will start at 7pm.

Consultation on train timetable

THE next rail operator for the Exeter-London Waterloo line says the next timetable (from December) has not been finalised and that passengers will be consulted.

First MTR South Western Trains Limited will take over the franchise on August 20th, a franchise held by South West Trains for more than 20 years.

Friends of Crewkerne Station (FOCS) expressed concern that a proposal to reduce the number of services calling at Woking and Clapham Junction could cause inconvenience to passengers using Heathrow. The move would reduce journey times overall, but could inconvenience passengers travelling to Heathrow, and those departing or changing trains at Clapham Junction.

A First spokesperson confirmed the proposal, but stressed that nothing had been decided, saying: "The removal of the Woking stop from some West of England line services is one option which we have been looking at as part of our December 2018 timetable proposals."

"Clapham Junction is another station that would be considered as part of our plans in a similar way as Woking. However, we are still working on our plans and nothing is finalised. Once we have completed our plans we will run a consultation on the December 2018 timetable. This consultation will give people a chance to share their views on what we are proposing."

Talking about the timetable as a whole, the spokesperson added: "Our plans are to introduce an additional two trains per hour earlier on a Sunday than you have currently in the December 2018 timetable. However, we cannot give any assurances of services to specific stations at this time."

Fares overall will remain unchanged to start with but the spokesperson said they did plan to simplify fares and introduce more advance purchase fares in the future. Railcards such as the Network Railcard will be valid as usual.

When asked if there are any plans to change the opening hours for stations, the spokesperson said they planned to "improve the customer experience throughout the journey" and it was too early to make specific plans for local stations.

Cllr Parr: a clarification

IN last week's edition (July 4th) we reported that "Councillor Parr is a director of J. & F. J. Baker & Co. Ltd, which owns land surrounding the CeramTec site debated at the meeting..."

We have been asked to point out that the land owned by J. & F. J. Baker does not surround the CeramTec site. The land has one boundary with CeramTec, which is to the north.

Town can celebrate... it's the market leader

Anders Larsson
Chief reporter | anders@viewnews.co.uk

AXMINSTER has been declared the most perfect market town in England.

The accolade was bestowed by *The Sunday Times'* Home supplement, which, using data from Hamptons International estate agency, compiled a top 18 list from more than 400 market towns in England and Wales.

Criteria included not just having a pub and a shop, but "a bakery, a bank, a fishmonger, a post office, a health-food shop, a choice of pubs, an art gallery, an independent bookshop, at least one decent coffee bar, a really good high street and at least a degree of culture".

Axminster came in second place overall behind Aberystwyth, Wales, but was the top English market town.

The official Axminster verdict was: "The smallest town on the list, and the base for Hugh Fearnley-Whittingstall's culinary empire, Axminster is delightfully unpretentious — surrounded by the lovely east Devon countryside and, thanks largely to Mr F-W's River Cottage Canteen, now as famous for food as for carpets.

"There's a station, but it's on the super-slow line between Exeter and London Waterloo. Average price £207,709. Price growth since 2007: Up 10 per cent."

Axminster mayor Cllr Jeremy Walden said: "It shows that Axminster is a wonderful place to live, and has a great deal to attract people in addition to River Cottage.

"I think it reflects what has happened in the last few years in terms of improvement, but we are at the start of a long journey. I hope this would not mean that house prices increase as a result to mean that local people can't afford them."

Chamber of commerce chairman Shane Morgan said: "It's absolutely fantastic, it is such great news for Axminster. The article is absolutely right, we are 'a quietly thriving town'.

"I am delighted Axminster is getting this recognition on a national platform."

Archway Bookshop owner Tim Pritchard said, tongue in cheek: "We should have been number one [overall]."

Deputy mayor and Guildhall manager Anni Young said: "It is a wonderful reminder of how lucky we are. It is sometimes easy to be complacent about the place you live in and take it for granted."

District and town councillor Andrew Moulding was equally enthusiastic: "We should be extremely proud to be best in England. We have a market every Thursday, tremendous community spirit, sport and music facilities and a range of attractions for locals and visitors alike, which all help to make Axminster the best market town in England."

The Reverend Clive Sedgewick, who moved here from Yorkshire to become team rector of The Axe Valley Mission Community, said: "As a newcomer to the town I can fully

understand why it won the award. It is a superb place to be, it is welcoming with lots going on."

David Fell, a research analyst at Hamptons, told *The Sunday Times*: "From more than 400 market towns across England and Wales, we have collated a top 18 with a really good high street and at least a degree of culture. They have generally done pretty well price-wise since 2007 — but, most importantly, they are all great places to live and work."

The Axminster verdict is the total opposite to the one offered in 2009 by Rachel Johnson (the sister of Boris Johnson) in a column piece for *The Mail on Sunday*.

She had made a brief visit to the town and passed a less than flattering judgment, which greatly upset locals.

She later wrote: "The other day I made an ungracious reference to Axminster in print, and from the evidence of my postbag I think that if I showed my face there again, the townsfolk would lynch me."

The Sunday Times article said: "They were once the hottest place to sell your sheep, pick up a new wimple and enjoy a drunken brawl after one too many jugs of ale. Today, the best of our market towns are pint-sized gems with fabulous historic architecture, stylish hotels and eateries, and thriving communities that are committed to keeping them at the heart of modern life."

It can be read in full at www.thetimes.co.uk/edition/home/best-market-towns-in-britain-trouvnbjg

The top 18 market towns were: 1st, Aberystwyth, Ceredigion; 2nd, Axminster, Devon; 3rd, Barnstaple, Devon; 4th, Beverley, East Yorkshire; 5th, Bridport, Dorset; 6th, Cromer, Norfolk; 7th, Godalming, Surrey; 8th, Kendal, Cumbria; 9th, Macclesfield, Cheshire; 10th, Newport, Shropshire; 11th, Morpeth, Northumberland; 12th, Newton Abbot, Devon; 13th, Penrith, Cumbria; 14th, Ringwood, Hampshire; 15th, Shrewsbury, Shropshire; 16th, Stroud, Gloucestershire; 17th, Tavistock, Devon; 18th, Windsor, Berkshire.

School leavers advised to have meningitis jab

PARENTS across Devon and Somerset are being reminded this summer to encourage their 18 year old children to get vaccinated against deadly meningitis and septicaemia.

Those who are due to leave school this summer, or aged 17-18 and are not in school (born between September 1st 1998 and August 31st 1999) are now eligible.

The MenACWY jab protects against four strains of meningococcal disease which causes meningitis and septicaemia, known as strains A, C, W and Y. MenW is one of the most aggressive and life threatening forms and meningococcal disease can be fatal. Many survivors are left with life changing disabilities, including brain damage and loss of limbs.

The MenACWY vaccine remains the best form of protection against the A, C, W, and Y strains with a 100 per cent effectiveness rate in those that have been vaccinated so far.

Julie Yates, South West Screening and Immunisations lead, said: "The MenACWY vaccination programme will save lives and prevent lifelong and devastating disability.

"We have seen a rapid increase in Men W cases across England in recent years and vaccination is the most effective way of protecting against infection.

"Young people are particularly at risk as they are carriers of the disease. Being in confined environments with close contact, such as university halls, hostels when travelling, or attending festivals, increase the chances of infection if unprotected."

Ardiana Gjini, South Central Screening and Immunisations lead, added: "Get vaccinated as soon as possible, remain vigilant and seek urgent medical help if you have concerns for yourself or friends.

"New entrants to higher education (university freshers) are also eligible. Anyone who is eligible and has missed vaccination in previous years remains eligible up to their 25th birthday and is urged to have the MenACWY vaccine."

Man airlifted to hospital after A35 crash in Shute

ONE person was airlifted to hospital after a collision between a Mazda saloon and a HGV lorry on the A35 at Shute, near Axminster.

Emergency services were called at about 9.20am on Friday July 7th, and the road was closed until about 3pm.

An ambulance spokesperson said that a male suffered a serious arm injury as well as a head injury. Police described the arm injury as life-changing. The man was airlifted to Derriford Hospital in Plymouth.

■ THE Wildcat on the deck of HMS Monmouth in the Indian Ocean following the rescue

Yeovilton copter crew in dramatic rescue mission

A HELICOPTER crew from RNAS Yeovilton rescued the last survivor of a sunken tanker in the Indian Ocean at the end of a dramatic day-long international mission which saved 13 lives.

Air engineering technician Stu Rogers – a member of the 815 Naval Air Squadron – was repeatedly swamped by waves as he spent half an hour trying to hook the stricken sailor and winch him up into HMS Monmouth's Wildcat helicopter, 140 miles off the island of Socotra in the Gulf of Yemen.

The sailor was the 13th of 14 crew members of the tanker Rama 2 which put out a Mayday call as she was battered by heavy seas.

Twelve of the crew were subsequently picked up by merchant vessels which took part in the rescue effort, directed by British naval authorities in Bahrain.

But two men were reported to be in the water, prompting Plymouth-based HMS Monmouth to launch her new Wildcat helicopter – call sign Black Jack.

The helicopter, of Yeovilton-based 815 NAS, was too far from the Rama 2's last position to perform an immediate rescue, but refuelled on another British naval vessel patrolling in the region, RFA Cardigan Bay, to continue – a technique known as lily-padding.

With the help of the merchant vessels and a long-range Japanese patrol aircraft to direct the helicopter, Black Jack arrived on the

scene as darkness was falling. A flare marked the location of one of the two crew still in the water, but the weather was so poor, fuel was running low and light was fading that the rescue was right on the limit of what the helicopter and its crew are allowed to safely operate in.

At times waves engulfed both winchman and survivor, exhausting both men, but at the very last minute Stu connected the shipwrecked sailor to his winch wire and hauled him safely into the Wildcat.

"It was a difficult sortie – we were close to the wire but it was great that we were able to get him on board," said Stu.

"A 30-minute attempt to get him hooked up was one of the hardest things I've had to do since joining the Fleet Air Arm."

Black Jack's flight commander, Lieutenant Ash Morgan, said: "This rescue was tricky due to the time we had to transit after the lily-pad' on RFA Cardigan Bay and then looking for a sole survivor in open water with very choppy conditions."

With sadly no sign of the 14th man, Black Jack returned to Cardigan Bay on the cusp of sunset. The survivor was immediately checked by the Cardigan Bay's medical officer and assessed to be fit and well, but somewhat battered.

Despite an extensive search, the missing 14th member of the crew was not found. He is presumed dead.

Acts invited to play Home Farm Fest

THE dust has barely settled on this year's charity Home Farm Fest music extravaganza at Chilthorne Domer near Yeovil and organisers are already looking ahead to the 2018 event and inviting bands and musicians to get in touch about performing.

The music festival raises money each year for the Piers Simon Appeal and its School in a Bag initiative.

Next year's Home Farm Fest will be held on June 8-10 at Home Farm in Chilthorne Domer.

"Please email us at events@schoolinabag.org with links to your music," said a festival spokesman in a message on social media to potential performers. "The better quality the recording, the easier it is for us."

Successful bands will be contacted from De-

cember until April/May next year, depending on programming.

"Please note as HFF is for our charity, School in a Bag, all artists very kindly perform for free and it is an incredible contribution towards the work that we do," said the spokesman.

The School in a Bag initiative provides what it says on the tin – a schoolbag packed full of everyday school equipment and eating utensils to thousands of children around the globe in poverty-stricken and disaster-affected countries.

The 2017 Home Farm Fest was the charity's 12th – with the first one having been held back in 2006 – and raised a whopping £72,700 with more than 100 acts on six stages during the weekend.

More details about the festival can be found at www.homefarmfest.co.uk.

Plans for carnival park set to float councillors' boat

EXCITING plans to create a £300,000 carnival park on the outskirts of Ilminster are moving full steam ahead.

It is only two-and-a-half years since it was first mooted about creating a centre where carnival clubs within the South Somerset Federation could build their colourful carts and entries.

But the carnival park management committee has worked tirelessly and has now got an earmarked site which best meets the needs of its business and feasibility plan.

The committee's joint chairmen, Steve Dawe and Kym Toms, met carnival supporters at the site last week and are delighted at how things have gone so far.

But Kym said: "I can't get too excited just yet because there is still a long way to go."

The carnival park organisers have met various local councils and councillors from within the Area West section of South Somerset District Council which covers Ilminster, Chard and Crewkerne.

But the identified site – part of Dillington Estates – falls within the Area North section of the council, so more talks and presentations are planned.

Steve and Kym will be meeting the planners this week and then making a full presentation to the Area North committee on July 26. It is expected that a full planning application for the carnival park proposals will then be submitted to the council.

Steve said: "The plans will go in shortly after meeting with Area North – so we're looking at late July or early August."

"There are lots of ifs and buts still – but we will keep going."

"Considering we've only been talking about this for about two-and-a-half years we have made some big inroads."

"The support we have received so far for the project is widespread and people have ap-

■ Kym Toms and Steve Dawe, joint chairmen of the carnival park management committee

preciated the benefits of what we are trying to achieve.

"Carnival clubs are already on board but now we want to reach out to the wider community and get other groups involved who might want to use the carnival park for something such as storage facilities."

Already people involved in the scheme have been looking at various funding avenues to help finance the project.

But they know that it will become easier once planning permission has been granted.

Steve said that if everything went well with the council then fundraising would begin in 2018 and the project would be completed in 2020.

The organisers would like to thank Dillington Estates for all its help as it offered them six sites around the area.

The South Somerset Carnival Federation comprises the parades at Ilminster, Chard, Taunton and Wellington.

Gas leak after main hit by cars

A GAS main was leaking badly after being hit by two cars in Larkhill Road, Yeovil.

The incident happened just before 7.45pm on Sunday.

A spokesman for the fire and rescue service said: "Two vehicles had left the highway and severely damaged a gas main. A cordon was put in place."

"The gas main was leaking large volumes of gas. Local residents were advised to remain indoors and close windows."

Engineers worked to isolate the gas main.

A specialist team from Wales & West Utilities was called, and Larkhill Road and Thorne Lane were closed.

In an update issued just before 10pm on Sunday, the spokesman said: "A specialist team from Wales & West Utilities have isolated the gas supply."

"Fire crews stood by assisting with making vehicles and the scene safe and managing the cordon."

New leaflet aims to help beggars

A NEW information leaflet from the Yeovil One Team offers advice and information about sources of support for people who are homeless and may be begging in the town centre.

The leaflet identifies services and help provided in the town and will also be a useful reference for interested individuals to make referrals.

Yeovil crime reduction team co-ordinator Gareth Williams said: "We are already utilising the leaflet with every incident that comes to our attention and we will target newcomers quickly with aid, guidance and support which will help to reduce the number of people who are homeless and begging on the streets of Yeovil."

The council- and police-led Yeovil One Team is a joint partnership which aims to work together to improve neighbourhood community safety in the policing area of Yeovil known as Yeovil One.

Cllr Tony Lock, chairman of the Yeovil One Team, said: "The introduction of the new leaflet is a great step forward to making people aware of what help and support is available to them and the alternatives to either sleeping on the streets or begging."

"All the different agencies are listed to assist those in need, so there is no excuse for not being able to access the help you require."

Copies of the new leaflet – *What is it you want? How can we help?* – are available at public information points across the town centre.

For more details, contact the Yeovil One Team at Petters House in Yeovil.

Hospital in new clinical trial

YEOVIL District Hospital is to participate in a new clinical trial – funded by leading charity Breast Cancer Now – to investigate the best way to deliver cognitive behavioural therapy (CBT) to reduce the impact of two major side-effects for women undergoing breast-cancer treatment.

Hot flushes and night sweats are common side-effects of current breast-cancer treatments such as chemotherapy and anti-hormone drugs.

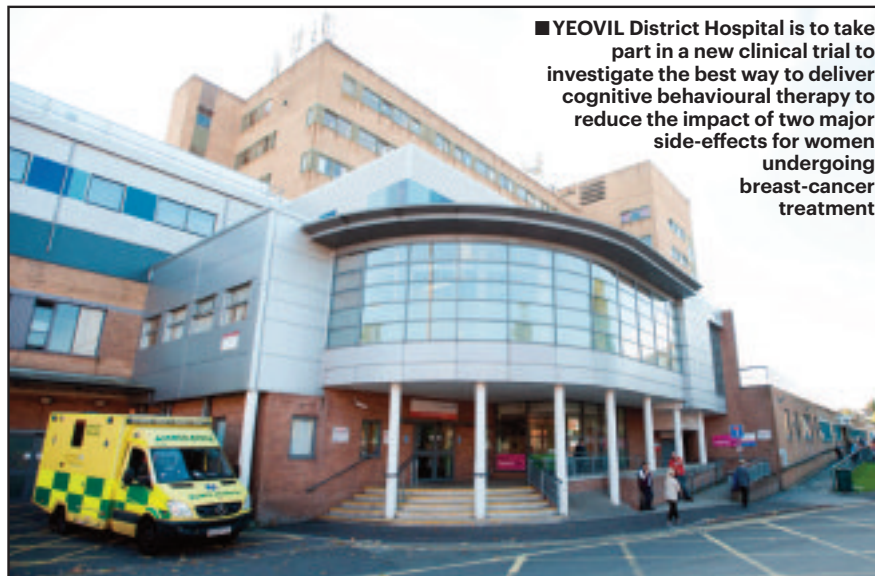

Experienced by up to 70 per cent of women receiving treatment, they can have a huge impact on their daily lives, often affecting employment, personal relationships and general quality of life, and sometimes leading to women not completing the full course of their treatment.

Hormone replacement therapy (HRT) – which is normally offered to women experiencing hot flushes as part of the menopause – unfortunately cannot be used by women with breast cancer as it can increase the risk of their disease returning. In addition, these side-effects can often be more extreme and longer-lasting in women who have had breast cancer than those experienced during natural menopause.

It is therefore essential that scientists and clinicians find ways to help women undergoing breast cancer treatment reduce the impact of these side-effects, to give them the best possible quality of life and help them to continue their treatment to reduce the risk of breast cancer returning.

Paula Hutchinson, 50 – a participant of the MENOS 4 trial – was diagnosed with breast cancer in 2015.

She said: “A minute-and-a-half of a hot flush doesn’t seem long but the effect it has on my day-to-day life is totally overwhelming.

■ YEOVIL District Hospital is to take part in a new clinical trial to investigate the best way to deliver cognitive behavioural therapy to reduce the impact of two major side-effects for women undergoing breast-cancer treatment

“Forgetfulness, irritability and lack of concentration are just three symptoms but I’ve acquired a range of coping strategies to let me lead a full life.

“I’m very lucky to still have my pre-cancer positivity, and along with my great family I received amazing support via my breast-care team.”

Researchers have already shown that CBT can help to reduce the impact that hot flushes and night sweats have on women undergoing breast-cancer treatment, allowing them to regain a sense of control over these symptoms.

Although CBT is known to be effective, it is not currently offered routinely within the NHS for women with breast cancer. At present CBT can only be given to groups by trained clinical psychologists and there is nothing currently considered a universal gold standard of care in breast-cancer treatment, meaning support to help patients manage these difficult symptoms varies across the country.

Yeovil District Hospital is one of six UK hospitals participating in the trial which will involve up to 160 women undergoing breast-cancer treatment who are experiencing se-

vere and frequent hot flushes or night sweats.

Half of the women will receive group CBT from a breast-cancer nurse – who has been specially trained by clinical psychologists to deliver the intervention – involving six weekly sessions lasting 90 minutes each, while the other half will receive whatever support they would normally receive.

The researchers will evaluate the impact of CBT on the women’s hot flushes and night sweats after 26 weeks.

In addition, group CBT sessions will be recorded and analysed by independent psychologists, to assess its effectiveness when delivered by breast-cancer nurses.

A process evaluation will also be conducted to explore the ways in which breast-care nurses were able to implement the group therapy, so that, if it is successful, a blueprint could be created to show how this service might be organised locally.

Becky Laney and Nia Dobner, breast-cancer nurses at Yeovil District Hospital, said: “We are delighted that Yeovil District Hospital is participating in this trial, and hope it can make a real difference to patients in the region who are experiencing hot flushes and night sweats as a side-effect of their breast-cancer treatment.

“Hot flushes can have a major impact on women’s lives: affecting their work, social life and disrupting their sleep. We look forward to the results of this trial, and hope that it will enable much wider access to CBT among breast-cancer patients.”

Any women being treated at any of the centres taking part in the trial who are experiencing troublesome hot flushes as a side-effect of treatment are encouraged to ask their breast-care nurse about the study, which is currently recruiting participants.

Yeovil Show all set to attract 20,000 visitors

WHETHER you're a thrill seeker, shopaholic or sheep fancier, this year's Yeovil Show is shaping up to deliver it all.

With news that advance ticket sales have quadrupled compared to last year, the Yeovil Show organisers are anticipating that more than 20,000 visitors will be making this weekend, July 15 and 16, firm dates for their diaries.

Around 2,000 animals are expected to flock to the showground this year.

Expect the best from the livestock world including cattle, sheep, goats and heavy horses, all vying for the coveted Best in Yeovil Show title.

Canine lovers can also enjoy a dog day afternoon on the showground watching up to 1,000 pooches involved in one of the most prestigious dog events to take place in the South West – The Yeovil & District Canine Society Dog Show.

The Yeovil Show is the fastest-growing agricultural show in the South West and all under-16s go free.

There will be plenty of food and drink from local producers in a dedicated food court.

Look out for Purbeck Ice Cream, Tom's Toasties, Ridiculously Rich by Alana handmade cakes and chocolates, and the Stable Pizza's Flagon Wagon offering local ciders.

■ ADVANCE ticket sales have quadrupled compared to last year

One of the highlights of the show will be a fly-past by one of the two remaining airworthy Lancaster bombers in the world, on Sunday.

For more information about the Yeovil Show and to purchase advance tickets – currently £12 per adult – visit the event website at yeovilshow.org.

Crematorium refurb 'really exciting'

THE refurbishment and redevelopment of Yeovil Crematorium has been approved by South Somerset District Council.

The redevelopment scheme will provide improved facilities for families and mourners and will include additional services to those currently provided.

The refurbishment will enable the crematorium to meet the highest modern environmental standards.

Yeovil Crematorium was built in 1970 – and with the expectation that the existing cremators would soon need replacing, it was decided to review the facility and consider the future need for crematory services in Yeovil and the surrounding area for the next 25 to 50 years.

The aim is to ensure that the high-quality facilities are provided for families and mourners in the years to come.

Speaking about the decision to approve the project, Cllr Peter Gubbins, South Somerset's executive portfolio holder for Yeovil Crematorium, said:

"Various options were considered before deciding to refurbish the current site, including building a new crematorium at a different location. But the analysis suggested that it wasn't financially viable to do so.

"The work to be done will include the construction of a new chapel with greater capacity, the creation of a smaller secondary chapel, the conversion of part of the old chapel into a new waiting room, the installation of new cremators, the provision of extra parking and the creation of a new garden of remembrance.

"This is a really exciting project of which the community can be rightfully proud."

The council owns an 89 per cent interest in Yeovil Crematorium. Yeovil Without Parish Council owns an 11 per cent interest.

Yeovil Crematorium is the only crematorium facility in the immediate area.

The facility averages 1,700 cremations a year.

Cllr Alf Hill, chairman of Yeovil Without Parish Council, said: "Yeovil Without parish councillors are fully behind this project which is in the interest of all of the community.

"We are looking forward to working with SSDC on this joint venture."

The decision was voted through unanimously by district councillors.

Ballerina Darcey: All signs 'pointe' to venue's success

THE Westlands Yeovil venue was officially reopened by distinguished ballerina and *Strictly Come Dancing* judge Darcey Bussell.

Staff and volunteers from the Octagon Theatre and Westlands, LED Leisure and South Somerset District Council were joined by councillors, contractors, funders, supporters, petition leaders, media and friends to celebrate the long-awaited reopening of one of Yeovil's, and indeed the county's, biggest entertainment, conference and sporting facilities.

Special guest Darcey officially opened the venue before being taken on a tour of the facilities.

She was joined on stage by the chairman of South Somerset District Council, Cllr Mike Best, health and wellbeing spokesman Cllr Sylvia Seal and the council's former health and wellbeing assistant director, Steve Joel, who played such an influential role in the re-vamp project.

Darcey said: "Venues play an important part in ensuring strong and vibrant sporting and cultural development – so I'm pleased to see this facility saved and looking so fantastic. I wish we had somewhere like this where I live."

Cllr Best said: "There is so much to explore, discover and do. Whatever your age, whatever you are into – there is something here for you."

And Cllr Seal said: "Westlands offers so much potential to support our businesses, bringing visitors to our district who will stay in our hotels, eat in our restaurants, shop and enjoy spending time and money here."

■ **DARCEY Bussell** cuts the ribbon to officially open the Westlands Yeovil centre
Pictures courtesy of **WESTLANDS YEOVIL**

"Each time our visitors come we want to exceed their expectations."

Darcey also revealed a commemorative plaque to mark the occasion live on stage.

The district council received its largest ever petition of 8,000 signatures to save the venue after it closed in September 2015.

The council got into talks with the venue's owners – Leonardo Helicopters – and took up

a 30-year lease of the building. Around £2.4 million has been invested into the refurbishment of the venue and its surrounding facilities which saw it back open to the public at the end of March this year.

Following the official opening ceremony, Darcey was on stage at Westlands Yeovil in *An Evening With...* hosted by BBC Somerset presenter Clare Carter.

Teens turn on style for prom

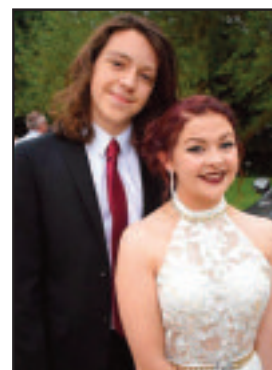

YEAR 11 children from Westfield Academy in Yeovil turned on the style for the traditional end-of-school prom.

The rain stayed away – just about – as the youngsters arrived at the picturesque venue of Haselbury Mill near Crewkerne in swish suits and dazzling dresses, with family mem-

bers waiting to welcome them and with cameras in hand.

Teaching staff mingled with the teens while photos galore were taken on the lawn before the youngsters headed inside the fabulous Tithe Barn for the customary dinner.

School's *Great Gatsby*-themed prom is a roaring success

FAIRMEAD School in Yeovil – which caters for youngsters with additional learning needs – enjoyed a very special night when it held its first prom.

The prom was held for pupils in Years 11-14 who are moving on to pastures new and there was a special theme of *The Great Gatsby* based on the 1925 novel written by American author F Scott Fitzgerald.

So there were plenty of outfits worn by the students to look as if they had stepped out from the Roaring Twenties.

A couple of old cars came into the school on Mudford Road and the youngsters – and staff – were delighted to pose for photos.

Members of the Yeovil-based Castaway Theatre Group, fresh from its run of the *Bugsy Malone* musical at the Octagon Theatre, were also on hand to provide some entertainment from the show which is set in New York in 1929 and very much in keeping with the theme of the night.

The pupils were joined by teachers and supporters for the prom including head teacher Tracy Felstead and head of school Ben Crump.

Following the performance by the Castaways, the youngsters and staff of Fairmead enjoyed a disco.

A big thank-you goes out to those involved in helping to organise the prom, which was enjoyed by everyone.

The school has around 100 pupils, all with additional learning needs described under four broad areas – communication, cognition and learning, social, mental and emotional health, and sensory.

Lunch boosts charity

■ SIMON Colledge, Alan Kennell and Peter Windgrave

A CANCER Research UK ploughman's lunch in Crewkerne raised almost £800.

The event was held in splendid sunshine in a garden in Middle Path, and the exact amount raised was £779.37.

Organised by the local Cancer Research UK branch, it was a well-attended affair.

Organisers thanked everyone who had supported the event, with extra praise to Barrett Brothers, Blue Vinney Cheese, Lubborn Cheese, Mortimers, Number 5 The Deli, Perry's Cider, Waitrose and Wyke Farms.

Wadham assists in Europe-wide study of plants

COMMITMENT shown by Chris Farmer, science teacher at Crewkerne's Wadham School, in taking sixth-formers to a conference at the University of Bristol back in 2015 has led to the school being selected as one of just three in the UK to participate in Europe-wide research into plant growth and disease.

Crewkerne's Maiden Beech School, with which Wadham has a close association, is also taking part in the study.

Dr Phil Smith, from The Teacher Science Network, who is co-ordinating the school input into the research, said: "The aim of the project is to help students understand the scientific process and contextualise their learning about genetics, plant disease, plant growth and data gathering, together with food security – and to realise just how tricky it can be to grow our crops."

He was very impressed with Mr Farmer's enthusiasm for Wadham School taking part in the project.

The Teacher Science Network organises a variety of activities geared towards bringing 'real' science into the classroom.

It is based at the world-leading microbial science research institute, The John Innes Centre in Norwich, Norfolk.

The project's objective is to gain an insight into the distribution of brassica disease throughout Europe and to discover how each variety of plant responds to different climates.

Youngsters at Wadham

■ TEACHER Chris Farmer with Jack Cornelius and Ollie Freeman, evaluating readiness of plants to move outdoors

and Maiden Beech were sent batches of seeds to plant and cultivate and monitored growth, together with any signs of disease.

Five different varieties – mainly oilseed rape, which we see as swathes of yellow in local fields – are being monitored.

There are 20 schools in total participating in the project in countries as far afield as Spain, Italy, Romania and Poland.

Scientists love their acronyms and the project is catchily named BAD GEIS, which stands for Brassica

Adaption Disease Growth Environment in European Schools.

It's the school engagement part of MAQBAT (Mechanical Analysis of Quantitative Disease Resistance in Brassica by Associative Transcriptomics) which has received funding from what is known as the ERA_Caps initiative.

Feedback on plant growth rates and their survival is shared between participating schools.

At Wadham, the plants are now ready to be planted outdoors.

MORE than 200 youngsters from Holyrood Academy in Chard were sent out into the world of work to sample a variety of career paths.

The Year 10 children attended work-experience placements both locally and across the country, including in Pembrokeshire and Norfolk.

Coupled with discovering more about the actual industries they were trying out, pupils on work experience are also encouraged to learn key life skills such as working with people of varying age ranges and independently travelling to work using public transport.

As a result of the fantastic opportunities that they have been given by employers, they have returned to school enthusiastic and with a better idea of what the future holds.

Feedback from employers has been extremely positive and Holyrood's head of Year 10, Deborah Hogg, was very proud of her group – yet again.

Mrs Hogg said that local businesses have been hugely supportive of Holyrood's children wanting to try their hand at a range of experiences.

She would like to express her thanks to all who were involved in providing pupils with invaluable access to such rewarding work-experience placements.

A Holyrood spokesperson said: "If you own a local business and would like to offer an opportunity (for work experience) next year, please get in touch with Mrs Ali Warren at Holyrood Academy."

TATWORTH Memorial Hall, South Chard, will be the setting of a potentially lifesaving event for those aged 14 to 35.

The event, a free ECG screening, is being organised by Cardiac Risk in the Young (CRY) and the family of Jenny Bucknell, who died at 23 from an undiagnosed heart condition.

Jenny's family and friends have been at the forefront in South Somerset raising awareness of heart conditions in young people. So far they have raised more than £7,000 to make the two-day screening event possible for 200 people. The event will take place on July 29 and 30.

Free ECG screening at Tatworth

Veronika Bucknell, Jenny's mother, said: "Jenny was very sporty and was just about to graduate as a doctor from Cardiff University, when at just 23 she literally dropped dead from an undiagnosed heart condition."

"Eighty per cent of those affected have no symptoms, the first anyone knows is when they die (sudden adult death syndrome, SADS). Since then we have been raising money for CRY, in Jenny's memory, to help prevent other families being dev-

asted as we have. If abnormalities are picked up they can be treated.

"We have raised money to pay for this screening of 14- to 35-year-olds, as well as two ECG machines, and would like to encourage everyone between 14 and 35 to utilise the free testing. All you have to do is book an appointment online and attend. Please do attend if you book as each screening requires us to raise £35."

Council throws down gauntlet over future

AT the first of four neighbourhood planning workshops, Ilminster council threw down the gauntlet to the people of the town to get involved in shaping their future through the neighbourhood plan development group.

Ilminster has benefited from a community plan for several years – this is currently under revision – which is working to improve the amenities within the town. Much of the work done for the community plan will provide very useful evidence for those working on the neighbourhood plan project.

The neighbourhood plan, once completed, will have the same legal standing as national and district plans when planning applications are considered and decided.

Cllr Tony Walker, who is hosting the workshops, said: "Having a neighbourhood plan will help to ensure that, in future, the town grows and changes in ways that the people of Ilminster have influenced and chosen, and that is what we need to concentrate on."

Key areas that could be included within a neighbourhood plan are potential locations for

additional developments, design standards, enhancing green spaces, protecting historical heritage, increasing recreational facilities, and protecting and growing the vitality of Ilminster.

Cllr Walker said: "The workshop held recently will be repeated twice at the Minster Rooms on July 20 at 10am and 2pm and again at 6.15pm on July 24 at The Ile Youth Centre.

"But very shortly after that we hope to get our development group going, building on the evidence that we already have.

"We must establish a plan that has clear legal status and enables the people of Ilminster to play a much more decisive role in developing their town's future."

Come in Alan, your time is up!

ANDREW Lawson has been named the new president of Ilminster Lions, taking over from Alan Rudkin.

The Lions decided to exploit the brilliant weather and Alan handed over the chains of office while they took a trip in a dinghy.

The club would like to thank Alan for his dedication and hard work and wish Andrew a very happy and enjoyable time in office.

New members – men and women – are always welcome.

"Lions have fun as well as working for the good of the community," said a spokesman.

Cinema At The Warehouse to celebrate 30th season with 'wonderful Danish film'

ILMINSTER'S Cinema At The Warehouse will this year celebrate its 30th season.

Thirty years ago, at the Warehouse Theatre in Brewery Lane, the paint was hardly dry when the new film club, The Cinema At The Warehouse, was formed.

Two well-worn 35mm projectors were installed, a screen was hung and a programme of a dozen films drawn up. Membership took time to grow – but grow it did and nowadays there are more than 200 members each season.

Rob Rainbow, chairman of the club, said: "The club

is celebrating its 30th season on Sunday, December 17 with a screening of *Babette's Feast*, a wonderful Danish film we showed 30 years ago on reel-to-reel. All films are now shown on DVD, which the club buys and adds to its free-to-members library each year. *Babette's Feast* is our Christmas special and an excuse for a celebratory drink."

The Warehouse provides a fine venue for movies, with its comfortable seating, a large screen and a central location in Ilminster. The club is run by a committee and volunteers and offers a rich and varied

programme of 12 or so recently released, acclaimed films, both foreign and English language – movies that tend not to get shown locally by the major cinema chains. This year's collection includes *Paterson*, *The Olive Tree*, *Manchester By The Sea*, *A Bigger Splash*, *Tanna* and *Mustang*.

Membership for the year is £24 (£2 per film) with free coffee and biscuits and free use of the DVD library. The club is currently enrolling members for the 2017-18 season. For more details, see cinemaatthewarehouse.co.uk or email crisrainbow44@gmail.com.

They're entirely bonkers... for tea

MONTHLY charity tea parties at the Archie Gooch Pavilion in Ilminster have been a huge success and have already raised around £2,500 for different groups and organisations.

The latest was held in aid of the town's Warehouse Theatre, and was given a Mad Hatter theme.

People went along to the pavilion at Britten's Field off Canal Way and enjoyed a lovely afternoon of tea, cake and sandwiches and raised £300 in the process.

Among those to benefit from previous tea party events are the Scouts, Guides, Memory Café, Baby Basics, Macmillan and Ilminster Majorettes.

Organiser of the monthly tea parties is the well-known Helena Jones and she would like to thank everyone who has supported the events.

"They have been a real big success and it's great to see so many people enjoy them and we've also raised a fab amount of money for various causes," she said.

"Obviously I wouldn't be able to do this all on my own.

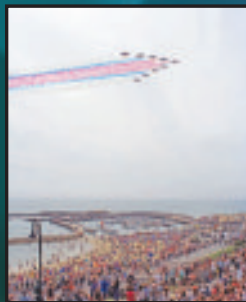

"So I'd like to thank all those people who have helped me.

"I wouldn't want to name everyone individually because I run the risk of inadvertently leaving someone out, but you know who you are – a huge thank you."

Quiz nights at the Archie Gooch Pavilion have also helped to raise lots of money for local groups and organisations.

ROOM FOR ONE MORE?

WE'RE always looking for lovely new homes & owners for the animals in our care and will look forward to talking with you about the rehoming process!

Our animals are available for rehoming from Ferne within a 40 mile radius of the Sanctuary, subject

to an approved home check which will look at whether your home environment is suitable for both the animal breed and temperament you wish to rehome.

Ferne offers real support and wherever possible one of Ferne's Volunteer Home Visitors will visit

rehome's on an annual basis throughout the life of their pet. This isn't a check on you (!) rather it is the Sanctuary's way of reminding you that it is here to offer support. Should an unexpected change occur in an rehome's life which results in them being unable to continue to offer the cat/dog a home, the animal is guaranteed a place here at Ferne and need never be homeless again.

WE ARE located in Axminster, with a lovely bright and airy room, we also have an outside area that has rubber surfacing for the children to ride scooters safely and play with other equipment such as the sand pit and mud kitchen. We have experienced staff that have been with us for a long time and we have been awarded an outstanding grade at our last Ofsted inspection.

The children enjoy a spacious area, where they can choose from various fun and educational activities. The children have free access to our well-equipped outdoor play area. The children experience diverse topics throughout their stay with us. We aim to create a happy atmosphere where children learn through play and a variety of experiences preparing them for entry to primary school. We also have DM coaching and Funky Monkeys come into the setting, which the children really enjoy.

We currently have vacancies for 2 year olds and we are a 2 year-old approved funding provider. We can take a maximum of 24 children in a session, children from the age of 2 to 5.

Come over and have a look around the setting and meet the staff, please call us on 01297 639329 we are open from 8.55am until 3.25pm on Monday to Thursday and Friday morning for availability and prices and for more information visit our website www.dragonfliespreschoolaxminster.co.uk

CYGNET PRE SCHOOL

CYGNET PRESCHOOL can be found in the grounds of Swanmead Community School, Ditton Street, Ilminster. Our Preschool, registered as 'Good' with Ofsted, has facilities for children to take part in a wide range of activities, both individually and in groups. Some of these activities include Painting and other creative activities, Early computer skills, Cooking, Gardening, Musical instruments, Dressing up, Construction toys and Book corner.

We are also very fortunate to have a secure outside area where the children can enjoy painting, playing with sand and water, ride bikes and play on our climbing frame. We also have our own allotment where the children can help grow fruit and vegetables.

During Snack Time we run a 'cafe' system where children are encouraged to help themselves to a healthy snack and a drink of either water or milk. We also cater for any allergies that children may have.

We offer sessions for children from 2 years until they start primary school where we work closely with the local schools to ensure the children's entry into school is as smooth as possible.

For more information on the Preschool please see our website www.cygnetpreschool.co.uk.

SUNNY DAYS NURSERY

SUNNY Days Nursery and Pre School are very excited to be offering the new funded 30 hours government childcare as it helps parents to combine the hard job of managing their working and family life. We can fully cater for families of mixed age ranges as we take children from 0- 5 years and can offer school holiday cover too. Parents need to apply for a code before the end of August to get the 30 hours from September 2017. Please call us on 01404 548267 for advice and further assistance.

The Preschool has a Maths, Science and English champion who spread their knowledge throughout the different age ranges. Marie

our manager has over 19 years of experience of working and managing a nursery. We are pleased to be able to offer all our children a free weekly music and dance session. Children develop their imagination, maths, role play and creativity through these sessions.

Sunny Days staff take our children out into the community to explore the world by visiting the library, shops, bounce and rhyme sessions and visits to the park. We prioritise fresh air, outdoor play and exercise. We have a well-equipped, safe, private and spacious outdoor learning and play area. Our latest project is our bug garden which the children and parents are very excited about. Parents have been very generous and helped us out.

New parents to the nursery love the homely feel of the baby room and spacious separate sleep room. Parents love the different aged rooms to meet all children's different stages and developmental needs. Parents love our unique play and exercise facility in Playdome Children's Indoor Play Centre every day. Our children get high levels of exercise everyday far beyond the government guidelines of 3 hours per day. Exercise through play is the best type. We can arrange for new parents to speak to parents from the nursery to get their views and experiences of the nursery.

Call us on 01404 548267 for a visit today!

THE FOLLY NURSERY

The Children at The Folly Nursery and Preschool in Ilton have been enjoying the fruits of their labours!

EARLY in the spring they planted lots of seasonal vegetables in the large nursery gardens, which they are now 'harvesting' for the nursery cook to use in the home cooked meals she prepares for the children each day. As the nursery is open all through the summer the children will continue their routines of weeding, watering and picking new vegetables for the kitchen as they learn about where our food comes from and what plants need to grow successfully!

The Folly Nursery is set in a lovely rural setting with large gardens whilst being only a 3 minute drive from the A358. The Folly caters for Children from birth to 5 years in a caring, stimulating and friendly environment. They accept 2 year old funding for eligible 2 year olds and Early Years Funding for 3 and 4 year olds. From September they will be offering the extended 30 hours to eligible working families.

SMOOTHING THE PATH TO 'BIG SCHOOL'

By Kate Whiting, Press Association

IN homes across the country, families will be preparing for the next big milestone - moving up to secondary school.

It can be an exciting - and nerve-racking - time for everyone, mainly for children, but also for parents, as they stand by and watch their little ones head off on the first day in their new 'Big School' uniform. There'll be new friends to make, new teachers to get to know, a new timetable full of different subjects and, of course, new homework.

"It's a very big leap for children and parents alike," says Carrie Starbuck, a former teacher and managing director for Learning Performance Training (www.learningperformance.com), which runs workshops in schools, including 'Introduction to Big School' for those soon to start Year 7.

"Primary school tends to be quite small, they have one teacher, one classroom - and at secondary school, they suddenly have six or seven teachers, and have to move around the classrooms.

"Some students may find it slightly easier if they're moving up with some friends, but others will be starting completely new and fresh."

FIND THE POSITIVE

Starbuck adds: "Parents may be feeling nervous too, so it's good for them to try and turn those nerves into something positive. A child might be worrying about whether they will they make friends etc.

"If parents say things like, 'This is a fresh start, it's really exciting, you're going to meet new people...' - putting a positive slant on things will build the child's confidence up, and soothe their concerns.

"It's a celebration rather than a terrifying change. We want students to be resilient and life is full of changes, so if they react positively to a change, then that transition will be easier."

MIND THE GAP

Besides moving from GCSEs to A-Levels, the leap from primary to secondary school is one of the biggest a child will face in their education, says Starbuck.

"The issues are actually very similar; they are suddenly expected to become quite independent learners. When you're at primary school, you're supported a lot by the teacher. When you get to secondary school, you have to manage your time well, you've got to remember to take the right books on the right day."

But they're still just children and shouldn't feel pressure to grow up.

"We always say to the class that, just because they've had a summer and they're in Year 7, it doesn't mean they're not 11-year-olds anymore."

ENCOURAGE INDEPENDENCE

Parents can help their children become independent learners by talking them through what they're going to be doing when.

"It's usually really simple, they're given a timetable and a diary. When you ask, 'Have you got any homework tonight?' or, 'What do you have to do tomorrow?' and they might not know or want to tell you, just double-check in the diary; it's used as a communication tool between parents and staff.

"Have the school timetable up on the fridge or somewhere really prominent and take time to help prepare their bag the night before. The first few weeks do this with the kids, but after a few weeks you need to encourage them to do this themselves."

A new school bag will help children get excited about being organised, but shouldn't cost the earth.

"A new bag, an organiser, nice coloured pens, all of that definitely helps," says Starbuck, who's also a school governor. "But it's not the end of the world if you can't afford it. What's important is the child has confidence - they don't need a bag for that."

HAWKCHURCH PRIMARY

HAWKCHURCH C of E Primary School is 6 miles from Axminster in a beautiful rural village setting with panoramic views. The school consists of 2 classes - KS1 & KS2 - with a newly opened Nursery which takes children from 2 years of age. We accept Early Years Funding from 2 years of age and non-funded hours are available.

The school joined the First Federation Trust in June 2017. We were inspected by Ofsted in the Autumn term 2015 and was rated as "Good". We continue to have the benefits of being village schools whilst enjoying the wider resources and expertise offered by the Academy.

Hawkchurch children enjoy the benefits of:

- Outdoor learning - very large grounds, with access to village field for sports
- Fruit and vegetable garden, pond, wildlife area, bug hotel and a willow dome
- New library
- Close community ties, strong links with local toddler group and the church
- Popular professional guitar lessons once a week
- Various after school clubs
- Residential opportunities and trips
- Plays, concerts and celebration assemblies
- Local volunteer helpers
- Enthusiastic PTFA members

MUSBURY PRIMARY

MUSBURY Primary School enjoys an idyllic setting beside the village church. It is less than 4 miles from Axminster and Seaton, 3 miles from Colyton and less than 7 miles from Lyme Regis - so it is in a handy location.

In June 2017 we became part of the First Federation Academy Trust, a Multi Academy Trust of Primary Schools across Devon. The Federation began in 2006 as one of the first Primary federations in the country and has grown to include 12 schools and a teaching school. All schools have improved since joining the Federation with four being judged outstanding and three good with outstanding features (31 May 2017). The federation driving vision is that every child should go to an outstanding school and be taught by outstanding teachers.

Our school pupil numbers are rapidly growing and the future is bright. Like our sister school Hawkchurch, Musbury enjoys excellent links with the local community and works alongside the Musbury Moles Pre-school group which is based on site. We are supported by many local volunteers who enhance the life of the school with their enthusiasm and knowledge of the local area.

Musbury children benefit from

- Outdoor learning
- Various after school clubs
- Residential opportunities and trips
- Plays, concerts and celebration assemblies
- Local volunteer helpers
- Enthusiastic PTFA members
- A large playing field
- Fruit and vegetable areas

ANTIQUES & COLLECTABLES

ANTIQUES BAZAAR

How time flies... August 2017 is the fifth anniversary of the opening of Antiques Bazaar, Crewkerne!

FROM humble beginnings, this interesting centre for antiques, vintage and collectables has grown to now be home to around 100 independent businesses. If you are looking for pine and painted furniture, antique jewellery, gardenalia, antiquarian prints, upcycled furniture, industrial and decorative pieces - then this is the place for you.

"We are a very popular destination for collectors, dealers and browsers. We have impressive footfalls every day, with locals, tourists and overseas visitors finding us and going away very pleased with their purchases" said Anthony Bucke,

managing director of Antiques Bazaar Ltd.

"Our important selling points are the friendly, knowledgeable team of staff, wide range of stock and being open 7 days every week", he continued.

"We are really looking forward to the 5th anniversary party on 4th August, with belly dancing, live music and a great 3-course meal", Anthony concluded.

Tickets for the 5th anniversary celebration are available from Antiques Bazaar, on 01460 77121, with more information on the website www.antiquesbazaar.co.uk

LYME BAY AUCTIONS

The Local Auction House with the Global Reputation

SEATON-based Lyme Bay Auctions continues to grow its reputation as one of the leading auction houses for antiques and collectables in the South West. Selling over 1,000 lots each month globally using online bidding and locally at their purpose-built auction rooms, the business is going from strength to strength.

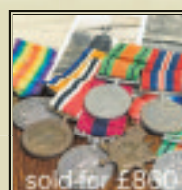

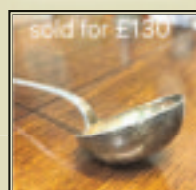

Recent highlights have included a painting by the French Impressionist Jean-Baptiste-Camille Corot which sold for over £40,000 and an African tribal headrest, found in a local charity shop, which sold for over £1000.

They currently have a high demand for a range of antiques, collectables, silver, gold and jewellery and are open for entries now for their next sale on Monday 31st July.

You can contact Lyme Bay Auctions on 01297 22453 or visit www.lymebayauctions.co.uk for further details. Their Seaton Salerooms are open Monday to Friday 9am to 5pm for valuations or to discuss part/full house clearances.

Give your advertising an unfair advantage. Run some press ads.

The effectiveness consultancy Benchmarking have analysed what happens when companies include press advertising in their media mix.

They looked at 500 econometric models, across a five-year period and discovered that adding newspapers dramatically increases the return on investment of other media.

Over half were service companies who saw the effectiveness of their TV advertising double, ROI of their overall campaigns treble and their online digital display enjoy a four-fold increase.

Individual categories also saw impressive results.

Automotive campaigns clocked a 70% increase. In travel, effectiveness trebled. In retail it leapt by 2.8 times. And most remarkable of all, in the financial category, Benchmarking uncovered an increase of 5.7 times.

So, whatever business you are in, you should be in the newspapers.

Trevor delights at the President's Show

TREVOR BOLSHAW, popular President of the Friends of the Beer Wurlitzer, once again presented a delightful afternoon of organ music on the Beer Wurlitzer on Saturday, July 8th. He said he would be playing a 'mixed bag' of light music which he defined as being midway between classical and popular music. Trevor has been associ-

ated over many years with the greats of the theatre organ world, organists such as Bill Irwin, Charles Smittom, Lyn Larsen who, as well as being fine organists, were also fabulous composers and arrangers. His programme included their music and also that of George Gershwin, Cole Porter, Sandy Wilson and many others.

Trevor is an internationally acclaimed concert and broadcasting organist, who began studying music at the age of nine with the well-known Midlands broadcasting organist Leslie Taff. His concert career has taken him to the USA on many occasions and he has broadcast on the well-known BBC Radio 2 programme 'The Organist En-

tertains' as well as on Radio Devon and Radio Bristol. As always, his sensitive playing and interesting commentary were much appreciated, as were the delicious refreshments provided by his wife Mary.

The next show will be on Saturday, 12 August, when Richard Monks, National Concert and Dance Organist, will be playing music for all. The shows are held at the Congregational Church, Fore Street, Beer, EX12

3JQ, starting at 2pm ending approx. 4.30pm. Admission is £7 on the door, children free, and includes interval refreshments. For further information phone 01297 24892 or visit the website at www.beerwurlitzer.org.uk.

Auditions coming up for *Hello Dolly!*

HOT on the heels of 'Thoroughly Modern Millie' comes 'Hello Dolly!' given to you by Lyme Regis Musical Theatre. After the huge acclaim for *Millie*, the theatre aim to keep your feet tapping with an equally well-known show with music and lyrics by Jerry Herman.

The plot of *Hello Dolly!* has its roots way back and has undergone innumerable remakes over more than a century. As it is now, it was first produced by David Merrick on Broadway in 1964 winning a record held for 37 years for 10 Tony Awards (tying with 'South Pacific'), including Best Musical. It was made into a film in 1969 and won three of its seven nominated Academy Awards.

Carol Channing made the part of Dolly Levi her own, by being the bossy, meddlesome widow who finds matches for people, putting her hand in here, there and everywhere. She is hired to find a wife for Horace Vandergelder, a crusty, grumpy bachelor who runs a hay and feed store in Yonkers, New York. With other characters in the play also having their lives turned around by Dolly, the twists and turns are most amusing and all accompanied by some catchy, tuneful songs.

Lyme Regis Musical Theatre will welcome its new production team of Clare Philbrock as Director, Ian Crew as Musical Director and Rachel Worsley as Choreographer. This team headed up the performances for the first time last year and are raring to go with 'Dolly!'

Open auditions for the character parts will be held on Tuesday, July 18th from 7.30pm at the St Michael's Church Hall on Church Street, Lyme Regis, DT7 3BS. Details can be found on Facebook.com/Lrmusical and enquiries on 01297 442134.

Open auditions for dancers and chorus members will be held on Sunday, September 17th at Uplyme Village Hall, DT7 3UY from 2.30pm. We would stress that these 'auditions' are basically to give Clare and Ian some idea of the voice ranges and to gauge individuals' co-ordination and ability to move on stage. No-one will be turned away and we will endeavour to make the

very best of our chorus members, who have earned themselves a very good reputation over the years for fine chorus singing.

We do need lots of men for this show so don't be shy gents, come along and check us out! We're a friendly lot, dedicated to LRMT and you are most welcome to join us.

Two very different films to be shown at the Beehive

TWO very different films will be shown at the Beehive cinema this weekend.

The Levelling (15) in which the flat, flooded plains of Somerset provide fertile soil for writer/director Hope Dickson Leach in this remarkably powerful tale of blighted farms and fractured families.

Trainee veterinarian Clover Catto returns to the farm where she grew up after hearing news that her brother Harry has died in what appears to be a suicide. Finding the family home in a state of horrendous disrepair following the 2014 floods that devastated the area, Clover is forced to confront her father Aubrey about the farm, the livestock and, crucially, the details surrounding Harry's death. Clover's discoveries send her on an emotional journey of reckoning with her family, her childhood and herself. Friday, July 14th at 7.30pm

On Saturday, July 15th at 7.30pm acclaimed filmmaker Guy Ritchie's epic fantasy action adventure **King Arthur: Legend of the Sword** (12A) will be shown. Starring Charlie Hunnam in the title role, the film is an iconoclastic take on the classic Excalibur myth, tracing Arthur's journey from the streets to the throne. When the child Arthur's father is murdered, Vortigern (Jude Law), Arthur's uncle, seizes the crown. Robbed of his birthright and with no idea who he truly is, Arthur comes up the hard way in the back alleys of the city. But once he pulls the sword from the stone, his life is turned upside down and he is forced to acknowledge his true legacy... whether he likes it or not.

Boogie Woogie Boy continues the story of early jazz

WHY is ragtime called ragtime? And how did the Boogie-Woogie powered Jitterbug

dance craze develop from Blues?

Find out at a free concert at

the Sidholme Hotel, Sidmouth, on July 27th at 7.45pm when Greg Jardine, twice winner of the UK Boogie Woogie championships, takes to the ivories of the old Joanna (actually the Bechstein grand) to take you through the world of early jazz.

Greg will be playing and narrating the story of early jazz from gospel, ragtime to blues and boogie-woogie and, with guest vocalists Jayne Bramley, Georgia Bramley and Ellie Chapman, and Boogie-Woogie drummer, Mike Newton - will be including a medley of popular Jazz Age songs.

If you like that 'Jools Holland' New Orleans piano sound you're in for a treat.

Are you ready for a hoedown?

HAYSEED DIXIE are playing at the Marine Theatre on Saturday, July 21st at 8pm. With fiddle, guitars, mandolin and banjo this hillbilly foursome is an awesome live band. Standing only!

With roots firmly set in East Nashville Tennessee, John teamed up with Mike Daly in 2000; they drank some whiskey, invited some friends along and started to play around with a few tunes, reinventing some of the classic AC/DC songs. They weren't really interested in making records, they just wanted to enjoy playing their music.

But now nearly two decades later those Appalachian Mountain hillbilly rave-ups have morphed into 15 albums that have sold over half a million

worldwide and over 1,200 live performances in 31 different countries, Hayseed have become the undisputed champions of their unique style of music.

But what is the Hayseed music like?

"I've always thought of us as a rock band. It just so happens that we play instruments which are more associated with folk music. I grew up in Nashville playing mostly rock music. We started calling it rockgrass because it is kind of our own thing."

If there was ever such a thing as a hillbilly band playing rock classics,

■ Hayseed Dixie

then Hayseed are it.

Hayseed Dixie are playing at the Marine Theatre on July 21st at 8pm. Tickets are £18 in advance £20 on the door. Visit www.marinetheatre.com or Call the Box Office on 01297 442138

Munchkins power ahead!

MUNCHKINS Miniature Shetland Rescue, based in Colyton, are delighted to announce that they have acquired a Kawasaki Mule ATV, thanks largely to a generous grant from Petplan Charitable Trust.

Pictured are general manager Tammy Marx and fellow trustee Ann Knight, trying out the new vehicle. "This will be a huge benefit to Munchkins," said Tammy. "The vehicle will mainly be used for transporting small loads, harrowing, muck sweeping and spraying the fields."

Munchkins is now very well established and in its fourth year of operation. Currently it is home to 37 ponies. Good local homes are always sought to take on healthy and well handled ponies on a long-term foster basis. Munchkins is run entirely by volunteers. If you can help please contact us through Facebook or email munchkinsshetlandrescue@hotmail.com

On Sunday July 23rd, Munchkins will be hosting their second annual open day at their main site in Sidmouth Rd, Colyton. Attractions include: Meet and groom the ponies, pony rides, birds of prey, dog show, children's driving lessons, bouncy castle and many stalls and games. A selection of food and drinks will be available. A great day out for the whole family! Gates open 11 am.

Contemporary Canadian jazz

The A/B Trio head to Ilminster as part of their European tour

ILMINSTER Arts Centre's eclectic music programme reaches across the Atlantic for its jazz concert on Friday, July 21st, which features one of Canada's hottest young bands, The A/B Trio.

Based out of Edmonton in Alberta, The A/B Trio brings together three hugely accomplished musicians - Thom Bennett (drums), Dan Davis (saxophone), and Josh McHan (double bass).

This group is inspired by the open-sounding, chordless groups of Sonny Rollins and Joshua Redman, and their material ranges from inventive reinterpretations of standards to modern, original repertoire and high-energy groove-based music. The trio's format is fresh, and their music is at turns, fun, accessible, melodic and compelling.

The A/B Trio's first album, Take No Prisoners was praised by legendary Canadian jazz musician Tommy Banks, who said "The music is all solidly-crafted, and the playing is too. These are no up-and-comers. A very good piece

of work by very good players and craftsmen."

Their second album "Out West" was released in 2015 and stayed at no.1 for over 2 months on the national Earshot charts and has been nominated for a WCMA for Best Jazz Recording.

One of their European tour dates this summer, the A/B Trio's Ilminster gig is a fantastic opportunity for Somerset jazz fans to hear this vibrant young band who are already carving a name for themselves in Canada.

The A/B Trio play at

Ilminster Arts Centre on Friday, July 21st at 8pm. Tickets are £14, and a pre-show supper is available at 7pm for £14 but must be pre-booked. To book your tickets please ring the Box Office on 01460 54973.

MAYFAIR TOWN & COUNTRY

WIN A HOT AIR BALLOON FLIGHT FOR TWO WITH MAYFAIR TOWN & COUNTRY

MAYFAIR Town & Country estate agents are launching a competition to win a hot air balloon ride for two.

Throughout July, for every sales or rental valuation booked with Mayfair Town & Country, customers will automatically be entered into a free prize draw to win a champagne balloon ride for two at the 2017 Bristol Balloon Fiesta.

To be in with a chance of winning the flight, which is to the value of £430, customers simply need to book a no-obligation valuation with one of the Mayfair team before the 2nd August. A winner will be picked at random and notified on the 3rd August, with the balloon flight taking place on the afternoon of Saturday 12th August, ascending from the Balloon Fiesta site at the Ashton Court Estate, Bristol.

There is no obligation to instruct Mayfair after the valuation, but the valuation must have taken place before the closing date of 2nd August to be entered into the draw.

Chris White, Sales Manager of Mayfair Town & Country in Crewkerne, said: "Mayfair first launched this competition with the North Somerset and Bristol offices last year but this is our first year participating from our South Somerset and Dorset offices. The Balloon Fiesta is such an iconic event in the South West, and being able to not only experience a balloon flight – for most, for the first time – but at the fiesta itself among the hundreds of other balloons makes for a truly special and unique experience."

So if you are thinking of selling or letting your property this summer or just wondering how much it is worth in today's market, contact Mayfair Town & Country Crewkerne on 01460 74200 to arrange a free, no-obligation market appraisal.

CAROLINE WITH MR. AND MRS. MADDER-SMITH

Caroline Childs, Senior Negotiator of the award winning Symonds & Sampson, Beaminster office is seen here with the delighted Mr. and Mrs. Madder-Smith in the gardens of their wonderful new bungalow which they recently purchased in the desirable village of Broadwindsor.

Mr. and Mrs. Madder-Smith commented 'we were so pleased with our bungalow and the transaction went smoothly from start to finish. I cannot speak highly enough of Caroline and her colleagues. Broadwindsor is a lovely village and we have really settled in well and everyone is so nice and friendly'.

Jeremy Smith, Residential Partner in Beaminster added 'I am delighted that Mr. and Mrs. Madder-Smith are pleased with their new home and our client who was a local solicitor is also thrilled with the service they received.'

If you are considering selling or indeed are on the market without success, why not contact Symonds & Sampson on 01308 863100 for your free market appraisal.

7 YEW TREE FARM, CORSCOMBE

JEREMY Smith, Residential Partner at Symonds & Sampson's award winning office in Beaminster has recently been instructed to sell this outstanding detached house which lies in the very desirable village of Corscombe. Jeremy commented 'we have been asked to market this property which had been on the market with another local estate agent. However, regrettably the pictures were of poor quality indeed the front photo had not been changed for several months. This property enjoys fantastic views to the rear and yet surprisingly there were no pictures of this on the internet! We have already received good levels of interest and we advise early viewing of this super house'.

The accommodation is arranged as fol-

lows:- Reception hall with a cloakroom off, a 30' sitting room, sun lounge with doors opening to the rear garden, dining room, a large fitted kitchen with utility room off. On the first floor are five bedrooms, the master having an en-suite and a family bath/shower room.

The outside offers driveway parking and a double garage. The gardens are laid to lawn with a pleasant, covered seating area and as previously mentioned this house enjoys lovely country views and backs onto field.

Symonds & Sampson are quoting an asking price of £499,950 for the freehold and we advise early viewing. Please call us on 01308 863100.

Orders now open for all-new Renault Scénic and Grand Scénic dCi 110 HYBRID ASSIST

RENAULT'S distinctive fourth-generation All-New Scénic and All-New Grand Scénic range is now available with a dCi 110 HYBRID ASSIST powertrain, offering a combination of even lower fuel consumption and emissions and high levels of driving enjoyment from the stylish compact MPV. The dCi 110 HYBRID ASSIST engine is available on both All-New Scénic and Grand Scénic and can be ordered now, priced from £25,055 on-the-road.

Harnessing the same qualities that make the All-New Scénic range a stylish and technologically-savvy compact MPV such as Active Emergency Braking System (AEBS) with Pedestrian Detection as standard, innovative 20-inch alloy wheels and an 8.7-inch portrait touchscreen, the dCi 110 HYBRID ASSIST versions provide even lower CO2 emissions and improved fuel economy – an MPG improvement of more than 10 per cent over the standard dCi 110 engine.

The All-New Scénic and Grand Scénic dCi 110 HYBRID ASSIST mark Renault's first foray into HYBRID ASSIST engine technology. The dCi 110 HYBRID ASSIST engine features a 10kW electric motor located under the bonnet that works in combination with the internal combustion engine. The motor is powered by a 48-volt 150Wh battery located behind the 2nd row seats for All-New Scénic or in the spare wheel housing for All-New Grand Scénic.

Alongside the economical benefits, it also improves pick-up at low speeds providing a boost of acceleration, particularly at low revs (even around 1,000rpm) regardless of the gear – the technology provides up to 70Nm additional torque in certain situations. During deceleration, the Motor Generation Unit (MGU) recovers energy for use by the vehicle's electrical system and for storing in the system's independent battery. It also works in associa-

tion with the internal combustion engine when the driver re-accelerates – an indicator on the dash lets the driver know when the engine is deploying or recovering power.

Thanks to this innovation, the All-New Scénic dCi 110 HYBRID ASSIST's CO2 emission figure of 94g/km makes it one of the best in class for economy. The technology dispenses with the need for a high-voltage battery thanks to the electric motor, a consideration that fits perfectly with Renault's philosophy of delivering technology to the widest possible audience at an affordable price. The dCi 110 HYBRID ASSIST versions are priced £1,000 more than the equivalent dCi 110 variants in the All-New Scénic range, although benefit from a reduced first year VED rate of £110 due to its classification as an "alternatively fuelled" vehicle and a reduced standard rate of £130 thereafter.

The Scénic and Grand Scénic dCi 110 HYBRID ASSIST range

is available in three trim levels – Dynamique Nav, Dynamique S Nav and Signature Nav. Each version provides a comprehensive standard specification, rising to the truly luxurious at the top-of-the-range.

The Dynamique S Nav provides unique-in-segment features such as an 8.7-inch portrait touchscreen housing the R-LINK 2 multimedia system and a colour head-up display, rear parking camera, panoramic glass sunroof with electric sunblind, auto-dimming rearview mirror and extra tinted windows to the rear and tailgate.

The top of the range Signature Nav features Carbon Black leather upholstery with Nappa leather steering wheel, electrically-operated height and lumbar adjustment to driver and front passenger seats with a courtesy function, driver's seat position memory function, full LED headlights with 'See Me Home' function and front fog lights with cor-

nering function.

All-New Scénic and Grand Scénic dCi 110 HYBRID ASSIST versions are available with a range of safety and convenience features such as Adaptive Cruise Control, Blind Spot and Safe Distance warnings, Handsfree Parking and 360-degree parking sensors.

All versions are covered by Renault's four year warranty.

The car is protected for four years or 100,000 miles (first two years have no mileage limit). There is also a three-year paint warranty and 12 years' cover against corrosion. Servicing is required once a year or every 16,000 miles for the dCi 110 HYBRID ASSIST.

UK ordering is now open with first customer deliveries arriving in August.

Volvo cars to go all electric

VOLVO Cars, the premium car maker, has announced that every Volvo it launches from 2019 will have an electric motor, marking the historic end of cars that have only an internal combustion engine (ICE) and placing electrification at the core of its future business.

The announcement represents one of the most significant moves by any car maker to embrace electrification, and highlights how, over a century after the invention of the internal combustion engine, electrification is paving the way for a new chapter in automotive history.

"This is about the customer," said Håkan Samuelsson, President and Chief Executive of Volvo Cars. "People increasingly demand electrified cars, and we want to respond to our customers' current and future needs. You can now pick and choose whichever electrified Volvo you wish."

Volvo Cars will introduce a portfolio of electrified cars across its model range, embracing fully electric cars, plug-in hybrid cars and mild-hybrid cars.

It will launch five fully electric cars between 2019 and 2021, three of which will be Volvo models and two of which will be high-performance electrified cars from Polestar, Volvo Cars' performance car arm. Full details of these models will be announced at a later date.

These five cars will be supplemented by a range of petrol and diesel plug-in hybrid and mild-hybrid 48-volt options

on all models, representing one of the broadest electrified car offerings of any car maker.

This means that there will in future be no Volvo cars without an electric motor, as pure ICE cars are gradually phased out and replaced by ICE cars that are enhanced with electrified options.

"This announcement marks the end of the solely combustion engine-powered car," said Mr Samuelsson. "Volvo Cars has stated that it plans to have sold a total of 1m electrified cars by 2025. When we said it we meant it. This is how we are going to do it."

The announcement underlines Volvo Cars' commitment to minimising its environmental impact and making the cities of the future cleaner. Volvo Cars is focused on reducing the carbon emissions of both its products as well as its operations. It aims to have climate-neutral manufacturing operations by 2025.

The decision also follows this month's announcement that Volvo Cars will turn Polestar into a new separately branded electrified global high-performance car company. Thomas Ingenlath, Senior Vice President Design at Volvo Cars, will lead Polestar as Chief Executive Officer.

Clean sweep of wins for WEPL teams

Centuries for Spurway, Reeves and Stewart - Moxon goes close

WEPL Premier Division Two (Bristol/Somerset)
ILMINSTER 253 FOR 5 (50ov)
SHAPWICK & POLDEN 237 ALL OUT (48.3ov)

A TON from skipper Sam Spurway and a fine all-round performance from Louis Kraucamp saw Ilminster edge a 16 run victory against visitors Shapwick & Polden on Saturday.

Spurway won the toss and chose to bat first. The early loss of George Hayward and Charlie Vickery was soon off set by a fine partnership by Spurway and Kraucamp who struck eight 4s and a couple of 6s in his 102-ball 79.

Spurway was there at the and finished on exactly 100 (9x4, 2x6) as his side totalled 253 for 5 from their allotted 50 overs.

S&P had a real crack at their target with opener Steve Tinnion striking 76.

But Kraucamp came to the fore with the ball too taking 4 for 35 while James Thompson (2 for 38) and Matt Davis (2 for 37) both struck twice as the visitors fell 16 short with nine balls remaining.

Ilminster 20pts, S&P 7.

Somerset Division NORTH PETHERTON 268 ALL OUT (44ov) CHARD 322 FOR 4 (50ov)

PETE Moxom finished agonising one run short of a century as nearly 600 were scored in the sunshine at Heathfield Park.

Further significant contributions from opener Nathan Johnson (87), Jon Scott (55*) and Matt Micale (41) saw Chard post an imposing 322 for 4 from their 50 overs.

In reply, early wickets put the hosts on the back foot but 'keeper batsman Lloyd Irish struck a fine 112 to keep them in with a sniff.

But Chris Scott had other ideas and returned superb figures of 10-2-37-5, while Jon Scott took 3 for 56 as Pethy were dismissed for 268 in the 44th over.

Chard 20pts, North Petherton 7.

NORTH PERROTT 163 FOR 2 (37.4ov) WEMBDON 162 ALL OUT (40ov)

TROY Johnson's 5 for 26 from nine overs proved decisive as Perrott returned to winning ways by brushing aside the challenge of fellow promotion contenders Wembdon who opted to bat first at Willis Lane.

■ **TITLE FAVOURITES:** The Crewkerne CC 1st XI which looks a good bet to lift the Somerset League Division Five championship trophy. Line-up, standing from left; Alan Wellman, Phil Palfrey, Chris Gould, Darren Parsons, Calum Hayes, Sam Rowsell. Front; Tom Briggs, Jon Gould, Ashley Lawrence, Charlie Male, Rob Keylock

The innings started badly and never really recovered despite the visitors being 121 for 3.

The final total of 162 all out was never going to be anywhere near enough and once openers Gordon Whorlow and George Retter put on 72 for the first wicket the writing was on the wall.

Retter eventually fell for 50 off just 47 balls (10x4) while the returning Whorlow, warmed up for his appearance in the Dorset team against Somerset at the same ground tonight, with an unbeaten 56 and saw his side to victory in the 38th over.

North Perrott 21pts Wembdon 3

angling ilminster

Tomkins revels in the heat

ILMINSTER Angling Association held a charity pairs open at Dillington and Hebditch's ponds on Sunday with the added twist that the anglers wouldn't know who they were paired with until after the match.

Given the scorching hot conditions there were some staggering weights of fish caught.

At Dillington, Ashley Tomkins had a fantastic day's fishing to reclaim the venue match record with 69lb 3oz of bream and skimmers from peg two.

Steve Hurford was second with 19lb 3oz of chub, bream and skimmers from peg eight and John Dursley was third with 15lb 6oz of bream and skimmers from peg one.

At Hebditch's pond, Bill Hopping caught carp all day for a comfortable victory with 114lb 14oz from peg two, Jamie Rich was second with 62lb 14oz of carp from peg nine and Jake Woodard was third with 48lb 10oz from peg eight.

On the pairs front, Steve Hurford & Frank Woodard won with six points followed by Harry Hebditch & Bill Hopping with seven and Justin Charles & Jake Woodard, also with seven points but they had a lower combined weight.

The anglers raised £120 for Macmillan Cancer Support and the club would like to thank the Hebditch family for the use of the pond, Ilminster Bowling Club for their fantastic breakfasts and finally to Steve Hurford and Rob Cox for arranging it.

The next match is on Sunday and the draw is at Ilminster Bowling Club between 8:30 and 9am, names to Steve Hurford please.

Results: **Hebditch's Pond:** 1st Bill Hopping (Ilminster) 114lb 14oz, 2nd Jamie Rich (Against Men and Fish) 62lb 14oz, 3rd Jake Woodard (Ilminster) 48lb 10oz.

Dillington Pond: 1st Ashley Tomkins (Tack-leuk) 69lb 3oz, 2nd Steve Hurford (Ilminster) 19lb 3oz, 3rd John Dursley (Enterprise Angling) 15lb 6oz.

Drawn Pairs: 1st Steve Hurford & Frank Woodard, 2nd Harry Hebditch & Bill Hopping, 3rd Justin Charles & Jake Woodard.

Ilminster ladies turn on the style in Trophy

SEATON
with Alan Nicholas
SEATON BC members were saddened to learn of the death of former captain **Jeremy Allison** after a short illness. The club's thoughts are with his beloved wife Lin and the family.

On the green, July started with a good 73-62 win in a home friendly against EXONIA. Top triple was; Gill Sykes, Peter Grigg & Joan Miles.

On Sunday, July 2nd a friendly at TIVERTON PARK was won 70-68, best triple was Margaret Nicholas, Ray Thompson & Graham Thomas.

The following day the Men's Over 60s Triples League B team beat visitors NORTH TAWTON C 29-22, gaining a full eight points. Top triple was; Ed Backhouse, Bob Scull & Dave Yardley. This match was preceded with a spontaneous one-minute silence in memory of Jeremy Allison who had been a member of this team.

Also on Monday, the home East of Exe Mixed League match against HONITON was won 69-52. Top rink was Glen Elliott, Ruby Grigg, Ron Rowley & Roger Woolland.

Last Tuesday Seaton defeated OTTERY ST MARY 76-66 in the County Trophy (2 rinks at home and 2 away), top rink; Norman Stone, John Veith, Dave Yardley & Terry Hurley-Smith (24-13).

Last Wednesday Seaton played five matches, three at home and two away. The Ladies Over 50s Triples League Blue team were at home to CREDITON YELLOW, taking advantage of the home green to win 50-31. This was top of the table Crediton's first 6-0 to nil defeat. Top triple; Carol Armitage, Pat Whitworth & Di Morley.

The Ladies Over 50s Triple League Red team were also at home to EXONIA, however the 2 triples were shared, but the total shots score favoured Exonia by 35 to 33. Seaton took two points for their win, from Liz Wilde, Chris Barradell & Sue Dando.

The Mens Over 60s Triples League A won 45-27 away taking all the points. Top rink was;

Terry Hurley-Smith, Don Yaxley & Roger Woolland, (25-10). The B team ended pointless from a defeat at MORCHARD BISHOP as did the C team at home against SIDMOUTH D team.

Finally, Seaton went down 70-55 in a friendly at AXMINSTER last Thursday, winning triple for Seaton was Peter Jones, Ken Taylor & Glen Elliott.

FENITON
with Roger Smith

THE Men's team lost 89-55 to MADEIRA in the County Trophy competition. The only winning rink was P Goodwin, R Lovering, A Kury & K Lovering 21-19.

In the over 60s triples league the B team had a convincing 46-33 win against BRADNINCH B. The winning rinks were; L Crook, G Phillips & D Conbeer 25-13 and B Bowden, L Ley & Ro Clarke 21-20.

The A team's poor run continued with a 42-32 loss against CULM VALE A, gaining just one point for a tied rink.

The ladies lost a close match 33-29 against ST THOMAS in the over 50s league, but there was success for Feniton member **Ian Veitch** who, with Colin Mees of Honiton, won the Budleigh Salterton Pairs Competition.

AXMINSTER
with David Harris

AXMINSTER's results during the past fortnight have been very mixed.

In the mixed friendlies there was an excellent 71-56 home win against TAUNTON with wins for Margaret Brown, John Hill & George Mabon (24-8) and Morrison Brown, Ann Burn & Margaret Crompton (20-11).

But Taunton got revenge 65-48 in the reverse match a fortnight later with only Morrison Brown, Ann Burn & Alfie Day enjoying success (15-13).

The trip to CHARD brought a 51-96 defeat with only Joan Quick, Margaret Brown, & George Mabon victorious (16-14) before SEATON were beaten 70-55 at home with wins for Bar-

bara Mowatt, George Mabon & Ann Clayton (24-10), Valerie Mellor, David Harris & Brian Clark (22-10) and a 15-15 tie for Mike Mellor, Bridget Hallowes & Alfie Day.

Axminster then lost badly 108-36 at LYME REGIS with no winners!

Axe Valley Runners

with Dave Mutter.

DUNCAN Staddon ran the SYDNEY HARBOUR 10K on Sunday where conditions were perfect and he completed in 36:38, 92nd out of 3,653.

Meanwhile, Kelly Stamp ran the HAM TO LYME ULTRA MARATHON, from ham hill along the liberty trail a distance of 50K in 6:44 on a hot day with James and Tim Sibley finishing together in 7:22.

A team of four AVR's made the trip to Ivybridge on Friday night to take on The Erme Valley Relays what has become known as the premier road relay event in the county.

Without doubt the highlight of the evening was Jake Smith returning to form by running the fastest leg of the night.

The team finished fourth out of 122 which was an incredible achievement and once again shows the strength within the

club. A late change to the original team needed to be made as James Green had to pull out with a twisted ankle meaning Matt Hewer got the call up.

The Friday evening traffic meant that the team only arrived 15 minutes before the start of the race and this may have made a real difference to the result.

The splits for the legs were; Hewer 14:59, Matt Clist 13:13, Simon Davis 13:21 and Smith 12:27, total time for 10 miles of 54 minutes.

Elsewhere, 10 AVR's completed THE DARTMOOR 600 Challenge on Sunday visiting all five tops on the moor over 600m in height.

Garry Perratt, Eleanor Wood, Clare Hansford, Karl and Fran Hodson, Matt Clist, Paul Johns, Graham Newton, Patrick Devine-Wright and Tim Lenton started from near the Dartmoor Inn at Lydford.

Tim and Patrick were back to the starting point in 3:45. The rest followed at a "moor" leisurely pace and finished in around the five-hour mark.

Carol Austin added HACKNEY MARSHES to her list of parkruns completed finishing in 23:02, 1st W55.

Meanwhile, Chris and Tom Perry finished the MASANGA FELL Race in 1:12 down in the SW corner of Dartmoor on Sunday.

This nearly eight-mile run has plenty of river crossings, bogs and tussocky off-road sections and raises money for an Ebola Hospice in Sierra Leone (See <http://www.masangafellrun.co.uk/>).

On Saturday morning five AVR's took part in the 10th anniversary OTTER RAIL AND RIVER RUN, a 10k multi terrain that was opened by BBC presenter Jeremy Vine as part of the Tipton St John playing field's 50th anniversary fair.

Steven Lewis was the first AVR home 67th in 54:37 and first M65, followed by Angela Kerr 78th, 56:08 and first F60. Chris Hill finished in 111th, 60:05; Yvette Hill 123rd, 61:32 and Martin Kerr 168th, 69:06.

Honiton Running Club

with Judy Davy

A DOZEN HRC members took on the 10th running of the OTTER RAIL AND RIVER RUN around Tipton St. John.

The route is a 10k off-road event following the River Otter and the old railway line. Kevin Hawker was first back for the club, finishing 3rd overall - first male finisher 040, in 40 minutes exactly.

Other HRC times; Rod Inglis 46.27, Richard Harris 47.33, Howard Bidmead 48.52 (38th overall first male 060), Mark Dallyn 41st place 49.32, Jo Davey 45th 50.21, Pippa Westall 49th 50.35 (first female finisher 055), Mark Andow 60th 53.12, Anne Carter 97th 57.45, Asilah Jarrald 101st 58.27, Rachel Hennessey 114th 60.51, Kathy Layzell 115th 60.52.

There were 184 finishers and the race was won by Peter Mon-

aghan from Torbay AC in 39:43. The Honiton members received their prizes from BBC presenter Jeremy Vine who was in attendance to open the Tipton St. John summer fete.

HRC managed a turnout of 18 for the ALBION RUNNERS HAM TO LYME ULTRA MARATHON.

Although officially a race for most it was just about completing the distance. Ben Stone and Alasdair Moffett ran together for the entire race and managed to go off course within the first mile.

The opportunity to go wrong was huge and most runners did at one time or another.

Chris Entwistle came in behind Alasdair and Ben and Gavin Rice followed some time later.

Judy and Steve Davey were next with Judy finishing as third lady. Next came Sherrie Hair and Suzanne and Simon Spiller.

Other HRC runners; Stephen Boyes, Dan Strawbridge, Tim Wigram, Richard Terry, Sharon Wells, Steve and Michelle Sel-

ley, Anna Dalzell, Mark Newson and Clare Melbourne.

Anne Carter and Asilah Jarrald took part in the 5.7mile QUANTOCK BEAST part of the Somerset series on Sunday, 2nd July. Anne finished in 55 minutes 24 seconds and Asilah in 55.24.

Six CRR's ran the HAM TO LYME ULTRA MARATHON.

Andrew Leeson, who took on the 100k Lyme Regis to Ham Hill and back off-road race and was in joint second place before taking a tumble. Meanwhile, Rod and Stuart McLean, Nina Wagstaff, Gavin Wyatt and Adrian Male all ran the 50k from Ham Hill to Lyme Regis (no times available at time of going to print).

Further afield Mick Whitworth headed out on an off-road half marathon route on the ISLE OF HARRIS (North West coast of Scotland) in near horizontal rain.

Mick just missed his goal of a sub 2:30 by 20 seconds.

Honiton just fail to pull back deficit

HONITON with John Pawley

THIS week's Tuesday Mixed competition was a four ball team event with two scores to count.

With 36 players taking part, this was a hard fought competition - all nine teams exceeded 80 points.

Some strong teams were inevitable, and count-back rules were likely to be incurred.

Sue and Paul Ritchie together with Elizabeth Ward & Mike Delaney scored 94 points with a back nine of 49 to win the competition. In second place, with a back nine of 46 were Di and Phil Wall, Sue Kelson & Cyril Dann. In third place with 89 were Cherry Liell, Penny Blackburn, James Liell & Ken Wood.

Tuesday also saw the return leg of the seniors match against Exeter - with the added importance of trying to retain the Stan Parker Trophy. Stan was a member of both clubs and put up the trophy in 1976 for the overall winning team. Up against

it from the start following the 4½-1½ loss earlier in the year, the Honiton team won this leg 4-2 - but ended up losing overall 6½-5½.

On Wednesday 30 ladies played in the Handicap Trophy and also the EG Medal for the month with course at it's absolute best. This allowed some superb scores, notably a 69 by winner Sue Kelson with Heather Clarke close behind with 70.

In Silver division the Medal result was won by Heather Clarke on count-back from Olwen Eaton, with Jane Watts third with her 73.

In Bronze One the winner was Sue Kelson, followed by Chris Luttman (70), Lesley Oxenham (74) and Stephani Barnes (76). Bronze Two Winner was Danusia White (77) ahead of Susan Hyde (81) and Pam Knibb (83).

The second Seniors Open of the year, a Texas Scramble, was held on Friday with 150 competitors from over 20 clubs making up the three-man teams.

Club President Max Pipe presented the

overall winners prize to the Bigbury with a score of 58.6. In the visitors section the team from Fingle Glen came out on top with 60.9, ahead of Teignmouth (61.3) and Weymouth (62.1), with Tavistock (62.4) fourth.

Winners of the Honiton members section were Peter Morgan Vic Wood & Phil Deacon with 59.6 followed by Phil Faulkner, Eric Short & David Armstrong with 59.7. In third were the Larry Goodliffe, John Locke & Duncan Hepburn group (59.9) ahead of Alex Neil, Alan Devenny & George Smith (62.7). The prizes for nearest the pin and the longest drive were both won by Steve Butcher.

AXE CLIFF with Peter Motson

THE Men's section played their Gees Bowl competition, on June 25th - format Medal. First place went to Tom Spencer with a nett 67 ahead of Chris Glover (70) and Stuart Mackie (71).

Tom Spencer, Glover, Mackie and Nigel

Pritchard all carded 2s.

Mackie won the July Medal for Division One while Division Two was won by Peter Petherbridge. Mackie scored the only two.

The Sheelah Creasy ladies played their final divisional game at Axe Cliff against Staddon Heights and won 6-1, but the League ladies went down 5-1 at Teign Valley, Axe Cliff won the reserve game.

The ladies played their Vets County qualifying round to represent Axe Cliff at the Killard Levy Foursomes at Saunton Sands later in the year.

Helen Kenworthy & Pauline Willis were first with 29pts. Sandra Walker & Stella Thompson were second (26) on c/b from Jo Donmall & Janet Dack.

The Seniors' section played their Three Club Shield completion last Friday which was won by Brian Thompson (HC13) with 36 pts. Close behind in second was Bill Polley (HC16) with 35 and in third was Nigel Garwood (HC16) with 33. Bill Polley and one by John Mant both carded 2s.

Anderson fireworks on debut can't save sloppy Somerset

Howard Larcombe
Sports Editor | howard@viewnews.co.uk

SOMERSET hopes of banishing memories of last season's disastrous T20 campaign began with defeat in the baking hot sunshine at the Oval on Sunday afternoon.

Jim Allenby won the toss and invited the hosts to bat first. The decision appeared questionable in the early stage as Aaron Finch and Jason Roy flew out of the blocks. Debutant Corey Anderson was handed the new ball and his first delivery in Somerset colours was struck to the boundary by Finch.

The opening pair exploded to 48 off just 31 balls before Josh Davey had Roy caught by Craig Overton at deep mid-wicket.

Mark Stoneman was next to fall with the score on 86 after he got a leading edge giving an easy catch to Allenby off Roelof van der Merwe.

The key wicket of Finch followed for a top score 61 off just 42 balls as the halfway stage was reached with the score on 99 for 3.

Substitute fielder Tom Banton was soon in action with an athletic one-handed catch just inches off the ground at backward point to get rid of Rory Burns off twirler Max Waller.

And the wickets continued to fall. Dom Sibley skied a chance to Adam Hose who made no mistake on the boundary rope with the score on 127 for 5 at the beginning of the 15th over.

Sam Curran and Ollie Pope added 25 at better than a run-a-ball before the former was pouched by Waller at point to give Davey his second scalp.

The penultimate over from Overton yielded 16 with Pope clubbing three consecutive boundaries to take the score up to 177. But an excellent last over from Lewis Gregory went for just four with Tom Curran out of the last ball of the innings to leave the Brown

caps on 181 for 7 which the locals felt was below par.

Van der Merwe was the most successful of the Ciderns attack taking 3 for 27 off his four overs.

Steven Davies, returning to face his previous employers, opened up with Allenby who was caught in the slips off Surrey skipper and former England pace man Jade Dernbach. And worse was to follow as James Hildreth was caught behind off the very next ball.

Pete Trego saw off the hat trick ball but the opening over ended with Somerset stumbling on 2 for 2!

Davies and Trego staged a minor recovery to take the score up to 25.

But at the end of the ninth over Somerset were in all sorts of trouble at 49 for 6 with their now faint hopes more of less resting on the shoulders of Anderson and Gregory.

Anderson bludgeoned spinner Scott Borthwick for a massive six but then got a reprieve when he was caught sweeping off a no-ball.

At the halfway stage they had stumbled to 64 for 6 with 117 still required at almost 12 an over!

Anderson smashed another huge maximum into the pavilion as 14 runs were plundered off the 11th. A reckless shot from Gregory saw him hole out on the boundary which brought in Overton to join the big-hitting Kiwi who lofted Ravi Rampaul into the stands to make it 90 for 7.

Anderson was on 39 off just 22 balls with a colossal 78 were still required with just 36 balls left.

The big all-rounder brought his half-century up of just 32 balls as the score reached 131 for 8 and 47 needed off the

last three overs. But this didn't faze Anderson as he smacked Dernbach into the stands for his seventh maximum leaving 12 required off the final over.

The over started with a dot ball but Anderson then struck a four and was then run out for a magnificent 81 off just 45 balls leaving seven need off the last three balls and the last pair of Davey and Waller at the crease.

Waller and Davey grabbed a single each but the former failed to find the fence that would have resulted in a dramatic tie leaving Surrey the winners by just four runs.

Surrey were penalised by 12 runs for not reaching the final over at the specified cut off time.

WHACK:
Corey Anderson almost salvaged a win for Somerset at the Oval, smashing seven 6s on his way to 81
